

May 20, 1972

Dear fellow missiologist:

1. The names on the following pages indicate the response to the March 22nd letter. Asterisks indicate those who are planning to attend the June 9, 10 meeting.

2. Those who cannot attend will be kept informed if they have asked us to do so.

3. Those who plan to attend should note that the address of the Scarritt College is 19th Avenue South at Grand, but they should mail their \$2.00 registration and \$8.00 lodging-and-(3)-meals just to the name of the college as follows:

Scarritt College for Christian Workers
Nashville, Tennessee 37203

(Use of the street address in mailing apparently slows things up.) If you would like to bring along a spouse, add an additional \$8.00 for lodging and the three meals. Make your check out to Scarritt College, write on the check "Lodging and meals, ASM conference June 9, 10" since there are a lot of conferences going on there this summer.

4. This is the last letter that will be sent out on this basis. Let me personally explain once more that I have been acting merely as the amanuensis for a small group who have for over a year and a half been talking about the need for this type of society. Now there is a larger group who will be talking together June 9th and 10th and my little chore will be over.

Cordially,

Ralph D. Winter

RDW/p

P.S. In case you have misplaced the March 22 letter, the meeting will begin with supper at 5:30 P.M. on Friday, June 9th and terminate with lunch on Saturday, June 10th. More of these March 22 letters are available from my office.
